### MATERIAL REQUIRED

PDF 1.3 generated exclusively using Acrobat Distiller 4.0 or higher, the file must be composite (separations are not accepted), contain one page only, WITH registration marks and must not be password protected.

**PLEASE DO NOT USE EITHER SMALL BODY TEXTS OR FRAMES OR OTHER VERY THIN STROKES OR SERIF FONTS (THEY SHOULD NOT BE LESS THAN 9 POINTS) EITHER THEY ARE IN POSITIVE IF WORKED WITH MORE COLOURS OR IN NEGATIVE ON COLOURED BACKGROUNDS. TEXTS IN BLACK COLOUR SHOULD BE MADE ONLY BY THE BLACK CHANNEL**

### Image resolution

- 228/304 DPI for grey scale B/W and colour images (high quality JPEG compression)

### Colour Method:

CMYK (all other methods must be converted)

### Code:

Binary

### Document dimensions:

The document must be faithful to the specific sizes given in the technical specs sheet, plus space for crosshair alignment.

Please also note that texts and trademarks must always be placed at least 7 mm from the trimming edge to avoid the risk of being cut during assembly.

### HOW TO SEND MATERIALS

Finished PDFs must be submitted via the InPagina website: <http://inpagina.rcs.it/>

HELP DESK service is available

### NOTES

The customer must submit the advertising material complete and ready to be reproduced according to the deadlines provided in the calendar.

Should the customer, due to force majeure, not be in a position to use space previously reserved, the same must inform RCS in writing of any date changes:

- at least 30 days prior to publication for monthly magazines
- at least 18 days prior to publication for weekly magazines.
